Description

Citibank Recruitment 2024

Are you passionate about ensuring accurate and organized data? Do you thrive in a fast-paced environment where your contributions directly impact critical business decisions? If so, then a career as a Front Office Executive at Citibank might be the perfect fit for you!

Citibank Jobs Near Me

Citibank is a leading global bank with a rich history and a forward-thinking approach. We offer a dynamic and collaborative work environment where you can learn from industry experts and contribute to innovative projects. In this role, you'll play a vital role in collecting and organizing crucial data that fuels our success.

Summary

As a Front Office Executive, you'll be responsible for acquiring and maintaining accurate and up-to-date information from various sources. You'll work closely with different teams to ensure data integrity and contribute to streamlining our data collection processes. This role is a great opportunity for individuals who are detail-oriented, possess strong organizational skills, and enjoy working independently while being part of a supportive team.

(adsbygoogle = window.adsbygoogle || []).push({});

Key Responsibilities

- Collect data from diverse sources, including online surveys, customer

interactions, and internal databases.

- Verify and ensure the accuracy and completeness of collected data.
- Identify and address data inconsistencies or errors.
- Organize and categorize data using designated systems and software.
- Maintain detailed records of data collection activities.
- Prepare reports and presentations summarizing data findings.
- Stay up-to-date on data collection best practices and regulatory requirements.
- Participate in the development and implementation of new data collection procedures.
- Collaborate with cross-functional teams to ensure seamless data integration.

Required Skills and Qualifications

- Bachelor's degree in a relevant field (e.g., Information Technology, Business Administration, Statistics) or equivalent experience.
- Strong analytical and problem-solving skills.
- Excellent attention to detail and accuracy.
- Proficient in Microsoft Office Suite (Word, Excel, PowerPoint).
- Ability to work independently and manage multiple tasks effectively.
- Excellent communication and interpersonal skills.
- Experience with data collection tools and methodologies (a plus).

Experience

This role is open to both recent graduates (freshers) and experienced professionals. For freshers, a strong academic background, eagerness to learn, and a passion for data will be highly considered. Experienced professionals with a proven track record in data collection and a solid understanding of data quality principles will be given preference.
