Key Responsibilities

- Analyze financial statements, market trends, and economic data to assess the financial health of companies, industries, and the overall economy.
- Develop and maintain financial models to forecast future performance and assess risks.
- Conduct research on specific industries, companies, or investment opportunities.
- Prepare financial reports and presentations to communicate findings and recommendations to senior management.
- Participate in the development and implementation of financial plans and strategies.
- Stay up-to-date on current financial events, regulations, and accounting standards.
- Work collaboratively with other teams across the bank to share information and expertise.

Required Skills and Qualifications

- Bachelor's degree in Finance, Accounting, Economics, or a related field (MBA preferred).
- Strong analytical and problem-solving skills.
- Excellent communication and interpersonal skills.
- Proficiency in Microsoft Office Suite (Excel, Word, PowerPoint).
- Ability to work independently and as part of a team.
- Strong attention to detail and accuracy.

Experience

- This is a great opportunity for both experienced financial analysts and recent graduates.
- For experienced candidates, 2-5 years of experience in financial analysis or a related field is preferred.
- Recent graduates with a strong academic background and a passion for finance will also be considered.
