Description

Implementation Specialist

As an Implementation Specialist, you'll be the heart and soul of bringing our innovative learning solutions to life. You'll work closely with schools, teachers, and students to ensure a seamless integration of our tools and content, empowering them to unlock their full potential. This is more than just a job; it's an opportunity to be a changemaker in the education landscape.

Byjus Careers

Responsibilities:

- Collaborate with cross-functional teams to understand new product features and learning solutions.
- Develop and execute comprehensive implementation plans, including timelines, resource allocation, and risk mitigation strategies.
- Configure and customize learning platforms based on specific school or student needs.
- Conduct user acceptance testing (UAT) and troubleshoot any technical issues.
- Train and support teachers, administrators, and students on the new platform and features.
- Monitor and track implementation progress, identify and address potential roadblocks, and report on key metrics.

- Stay updated on the latest educational technology trends and best practices.
