## Description

# Meesho Careers

### About Meesho

Do you love helping people solve technical problems? As a Desktop Support
Specialist, you'll be the first line of defense for our team, providing technical support
to employees across the company. You'll troubleshoot computer issues, answer
questions, and help keep our systems running smoothly.

### Key Responsibilities:

- Troubleshoot and resolve a variety of technical issues with desktops,
  laptops, and peripherals.
- Provide clear and concise answers to employee questions related to
  software and hardware.
- Document technical issues and solutions for future reference.
- Stay up-to-date on the latest technology trends and troubleshooting
  techniques.
- Collaborate with other IT professionals to resolve complex issues.

### Requirements:

- Strong understanding of computer hardware and software.
- Excellent problem-solving and analytical skills.
