Description

Morgan Stanley Recruitment 2024

Are you a detail-oriented and analytical individual with a passion for accuracy and a strong understanding of accounting principles? Do you thrive in a dynamic environment and enjoy collaborating with a team of financial professionals? If so, then a career as an Accountant at Morgan Stanley could be the perfect opportunity for you!

Morgan Stanley Jobs Near Me

Morgan Stanley, a leading global financial services firm, is searching for talented accountants to join our growing team. The best part? This remote position allows you to contribute to Morgan Stanley's financial success from the comfort of your home office, regardless of location!

Summary

In this crucial role, you'll play a vital role in supporting the accuracy and efficiency of our financial operations. You'll be responsible for a wide range of accounting tasks, including general ledger accounting, financial reporting, and transaction processing. Your strong analytical skills, attention to detail, and ability to meet deadlines will be essential in ensuring the integrity of our financial data.

Key Responsibilities

- Process financial transactions (e.g., accounts payable, accounts receivable,

payroll) accurately and efficiently.

- Maintain and reconcile general ledger accounts according to established accounting principles.
- Prepare financial reports (e.g., balance sheets, income statements, cash flow statements) with accuracy and attention to detail.
- Analyze financial data and identify trends or discrepancies.
- Assist with month-end closing procedures and ensure timely completion of financial reports.
- Perform account reconciliations and research and resolve any discrepancies.
- Stay up-to-date on accounting standards and best practices.
- Adapt to changing accounting procedures and implement new processes as needed.
- Collaborate with other departments (e.g., Risk Management, Treasury) to ensure accurate financial reporting.
- Maintain internal controls and adhere to company accounting policies.

Required Skills and Qualifications

- Bachelor's degree in Accounting, Finance, or a related field (or equivalent experience).
- Certified Public Accountant (CPA) license (preferred, but not required).
- Minimum of 1 year of experience in accounting (public accounting or industry experience).
- Strong analytical and problem-solving skills.
- Excellent attention to detail and a commitment to accuracy.
- Proficient in accounting software (e.g., QuickBooks, Oracle NetSuite).
- Strong understanding of Generally Accepted Accounting Principles (GAAP) or International Financial Reporting Standards (IFRS).
- Excellent communication and interpersonal skills, both written and verbal.
- Ability to work independently and as part of a team.
- Strong time management skills and the ability to meet deadlines effectively.

Experience

This role is a great fit for both experienced accountants with a proven track record of success and recent graduates eager to launch their careers in a supportive and dynamic environment. Morgan Stanley offers comprehensive training programs to ensure you have the skills and knowledge to succeed, regardless of your experience level.
