### Description

## SEO Manager in JWS Steel

As an SEO Manager at JSW Steel, you'll play a crucial role in driving organic traffic and enhancing our online visibility. You'll be responsible for crafting and implementing data-driven SEO strategies, optimizing website content, and analyzing performance to achieve exceptional results. This is a fantastic opportunity for a passionate and analytical individual to make a real impact in a dynamic and fast-paced environment.

### JWS Steel Careers

#### Responsibilities:

- Conduct in-depth keyword research to identify high-value search terms relevant to JSW Steel's target audience and business goals.
- Optimize website content and landing pages for improved search engine rankings and user experience.
- Develop and execute comprehensive SEO strategies, including technical SEO optimization, on-page optimization, and link building.
- Perform ongoing analysis of website traffic and SEO performance using web analytics tools to identify areas for improvement.
- Stay up-to-date with the latest SEO trends and best practices, implementing them effectively to stay ahead of the competition.
- Collaborate with cross-functional teams, including marketing, content, and development, to ensure seamless execution of SEO strategies.

### Hiring organization

JWS Steel
