Description

TCS Recruitment 2024

TCS, a leading global IT services and consulting company, is searching for talented and ambitious individuals to join their team as Full Stack Developers. In this exciting role, you'll have the opportunity to work on cutting-edge projects, collaborate with diverse teams, and contribute to the success of a world-renowned organization.

TCS Careers

Responsibilities:

- Master the art of both front-end and back-end development, seamlessly bridging the gap between user interfaces and server-side logic.
- Design and develop dynamic and user-friendly web applications using a variety of technologies (e.g., HTML, CSS, JavaScript, React, Python, Java).
- Collaborate with designers and back-end engineers to ensure consistent and high-quality application development.
- Stay updated on the latest trends and technologies in the ever-evolving world of web development.
- Communicate effectively with technical and non-technical stakeholders to ensure clear understanding and project success.
