Vedantu Careers

Responsibilities:

- Design and deliver interactive coding classes for K-12 students, tailored to their specific learning styles and grade levels.
- Craft engaging lesson plans that incorporate real-world coding applications to spark curiosity and ignite a love for coding.
- Effectively utilize Vedantu's online learning platform to create a dynamic and stimulating learning environment for students.
- Provide personalized support and guidance to students, fostering their problem-solving skills and critical thinking abilities.
- Continuously monitor student progress, identify areas for improvement, and adapt teaching methods to ensure optimal learning outcomes.
