Description

Job Title: Software Engineer – Work From Home

Job Summary:

We are seeking a highly skilled and motivated Software Engineer to join our team at Zoho Corporation. As a Software Engineer, you will be responsible for designing, developing, and maintaining our cutting-edge software applications. This is a remote work opportunity, allowing you to work from the comfort of your own home.

(adsbygoogle = window.adsbygoogle || []).push({});

Key Responsibilities:

- **Design, develop, and test software applications** using various programming languages such as Java, Python, or C++.
- **Collaborate with cross-functional teams** to identify and prioritize project requirements.
- **Develop and maintain technical documentation** to ensure knowledge sharing and reuse.
- **Troubleshoot and debug software issues** to ensure high-quality deliverables.
- **Participate in code reviews** to ensure adherence to coding standards and best practices.

- **Stay up-to-date with industry trends** and emerging technologies to continuously improve our software applications.

Requirements:

- **Bachelor's or Master's degree in Computer Science or related field.**
- **At least 3+ years of experience in software development** with a strong understanding of computer science fundamentals.
- **Proficiency in one or more programming languages**, such as Java, Python, or C++.
- **Excellent problem-solving skills** with the ability to work independently and collaboratively.
- **Strong communication and interpersonal skills** with the ability to effectively communicate technical information to non-technical stakeholders.
- **Experience with agile development methodologies** and version control systems such as Git.

Nice to Have:

- **Experience with cloud-based technologies** such as AWS or Azure.
- **Knowledge of DevOps practices** and continuous integration/continuous deployment (CI/CD) pipelines.
- **Familiarity with machine learning or artificial intelligence** concepts and frameworks.

What We Offer:

- **Competitive salary and benefits package.**
- **Opportunity to work on cutting-edge software applications.**
- **Flexible work arrangements**, including remote work options.
- **Professional development opportunities** to enhance your skills and knowledge.
- **Collaborative and dynamic work environment** with a team of experienced professionals.

How to Apply:

If you are a motivated and talented software engineer looking for a challenging and

rewarding opportunity, please submit your resume and a cover letter explaining why you would be a great fit for this role.
